

# TAC 2019

15<sup>th</sup> to 17<sup>th</sup> April 2019

A specialist conference for scientists and engineers undertaking measurements in thermal analysis and calorimetry

## First announcement and call for papers

Training Course - 15 April

### Modern Techniques of Thermal Analysis and Calorimetry

Conference - 16/17 April

### Scientific and Industrial Applications of Thermal Analysis and Calorimetry

#### Special Events

- Poster Competition
- Manufacturers Technical Exhibition
- Conference Banquet
